

# SCHUURMAN GREENHOUSES

Come join our team! We are looking for some general workers to fill a variety of full time, part time and seasonal positions. At SGL, we grow more than 40 different varieties of premium cut chrysanthemums. Our customers include wholesale distributors, florists, and grocers.

## General Worker Job Description

General Workers are essential to the operation of Schuurman Greenhouses. As a valued team member, you will be taught the skills necessary to work safely and efficiently as you perform a wide variety of tasks. You will be involved in all phases of the growing and distribution of our flowers.

## Essential Job Functions

- General Workers perform duties that include the planting, tending and harvesting of our cut flowers. You will be involved in making flower bouquets for market. This includes bunching, cutting down, coordinating shipments and filling customer orders.
- Crop maintenance such as weeding, center budding, and other activities will also be a significant part of your daily activities.
- General clean up is expected in all areas of the greenhouse including disposal of waste products, sweeping and removal of garbage

## Education and Experience

- No minimum education is required but you must be able to perform manual labour tasks
- Previous greenhouse experience is preferred

## Rate of Pay

- Positions start at minimum wage, but pay may be adjusted based on work experience

## Working Conditions

Working Conditions	Details
Hours of work	We are a family run business and we are willing to work with the right candidates to create a schedule that will accommodate your commitments.
Supervision	Most general workers report to a greenhouse manager who will provide you with instructions to complete your work duties independently to accomplish team goals.
Work environment	The job can be physically demanding. You may spend long periods of time standing, walking or kneeling. At times, you may have to lift up to 50lbs. The tasks are fast paced & often repetitive. You may be exposed to high temperatures and a damp work environment.
Transportation	Schuurman Greenhouses is not on a bus route. You must be able to provide your own transportation.

## How to Apply

Please complete the job application found on our website at [www.schuurmangreenhouses.ca/about](http://www.schuurmangreenhouses.ca/about) "Want to Join our Team?" Follow up by sending a resume to [sales@schuurmangreenhouses.ca](mailto:sales@schuurmangreenhouses.ca). We appreciate all candidates for their interest; however, only those candidates chosen for an interview will be contacted. Please feel free to email for more information.
